*Official Members.*

Mr. A. Ananda Rao, Treasury Assistant Commissioner, Tumkur.
" P. Sitaramiah, Amildar of the Gubbi taluk.
" M. Ranganatha Rao, B. A., Amildar of the Tiptur taluk.
" Viraraghavulu Naidu, Amildar of the Pavagada do

*N. B.*—The Deputy Amildars of Koratagere and Turuvekere sub-taluks were also present.

I. Read Government Official Memorandum No. 4465-72—L. F. 13-97, dated 22nd September 1900, enquiring whether the number of meetings to be held by District Fund Boards may not be reduced to the minimum of four per year prescribed in the Rules published under the late Chief Commissioner's Notification of 4th July 1874, and whether such meetings may not, as a rule, be held at the district head-quarters.

*Resolution.*—The non-official members are of opinion that no inconvenience whatever would be caused to them by the meetings being held at stations other than the district head-quarters, but that, on the other hand, good results are expected from their being allowed opportunities of seeing how the Local Fund administration is carried on in taluks other than those they represent. They are therefore in favour of the continuance of the existing practice of holding meetings at taluk head-quarters occasionally. The official members are also of the same opinion.

As regards the number of meetings, the Board unanimously are in favour of reducing the number to a minimum of four, these meetings being held in the months of January, April, July and September.

II. Read Government Proceedings No. 6519-29—L. F. 67-97, dated 10th November 1900, directing that the cost of contingencies of the Local Fund establishment in the Comptroller's and the Dewan's offices be met from the contingent allowances of those offices and not debited to the District Funds.

*Resolution.*—Recorded.

III. Read Government Proceedings No. Pg. 573-83, dated 21st November 1900, publishing Major Smyth's report on the sanitation of the Mysore City, and drawing the attention of the District Fund Boards to the suggestions therein made for the general sanitary improvement of villages.

*Resolution.*—The Rules of 29th August 1898, framed under the Village Sanitation Regulation, should be strictly attended to in villages to which they have been introduced. The removal of dung-pits from the vicinity of dwelling houses should continue to be insisted upon and the ventilation of houses improved. These works must be attended to by the villagers themselves, the local authorities or the sanitary agency helping them by their direction and advice. The demolition of fort-walls and the filling up of trenches and pits should be under-

taken in the more important villages. The following works should be attended to in the current year, out of the amount provided in the budget under the head "Village sanitation."

| *Taluk.* | *Village.* | *Name of work.* |
|---|---|---|
| Tumkur ... | Hebbur ... | A road through the village and demolition of the walls of the fort. |
| Sira .. | Bukkapatna ... | Dismantling the fort wall. |
| Gubbi ... | Nittur ... | Dismantling the walls of the fort and opening up the fort. |
| Maddagiri ... | Kodigenhalli ... | Opening up overcrowded portions. |
| Koratagere sub-taluk. | Agrahara ... | Opening up congested portions. |
| Kunigal ... | Yediyur .... | Filling up the fort ditch and opening out roads. |
| Turuvekere sub-taluk. | Honakere ... | Filling up trench. |
| Chiknayakanhalli . | Settikere ... | Improving drainage. |
| Huliyar . | Yelanadu .. | Filling up fort-ditch. |
| Pavagada | Gummaghatta ... | Improving the streets and drainage. |

As the Amildar of Tiptur is not present, he will be asked to propose the work on which he would spend the sum of Rs. 150 sanctioned for his taluk for village sanitation purposes. It is observed that the allotments that could be made from the District Fund budget for village sanitation is only Rs. 1,500, which distributed over the taluks and sub-taluks in the district, gives the small sum of Rs. 150 for each taluk and Rs. 100 for each sub-taluk. The Board unanimously are of opinion that an annual grant of at least an equal amount from Local Funds General would go some way to effect permanent sanitary improvements in one or two of the larger villages in each taluk or sub-taluk every year, and accordingly recommend that Government be requested to sanction such grant.

IV. Read estimate for Rs. 710, prepared by the Executive Engineer, for removing and re-constructing at Konehalli, Tiptur taluk, one of the two wings of the musafirkhana at Yelladabagi, Gubbi taluk.

*Resolution.*—The estimate will be considered at the next meeting when the budget estimates of 1901-1902 will be discussed.

V. Read estimate for Rs. 350, prepared by the Executive Engineer, for improving the cart-track connecting Tumkur-Urdugere road with the Dobbspet-Koratagere road.

*Resolution.*—The estimate is sanctioned, the cost being appropriated from the allotment of Rs. 1,000 in the current year's budget for completing the cart-trackf rom Madanamadu to Chikanayakanhalli. The necessary provision should be made in the revised budget to be submitted to Government.

VI. Read Executive Engineer's docket No. 411, dated 12th December 1900, requesting that 17 per cent on account of establishment and ½ per cent on account of tools and plant amounting to Rs. 90, may be placed at his disposal in connection with the opening of a cart-track from Tiptur to Kodigehalli.

*Resolution.*—Resolved that the necessary provision be made in the revised budget for the purpose.

VII. Read report from Tiptur Amildar No. 248, dated 3rd December 1900, recommending the demolition of Narnappa's old house at Tiptur which was acquired for providing accommodation to the Hospital Assistant and for extending the compound of the dispensary at Tiptur.

*Resolution.*—The materials of the building should be sold and the ground kept clean.

VIII. Read Pavagada Amildar's report No. 88, dated the 27th November 1900, recommending a monthly allowance of Rs. 15 from Local Funds General to the Hospital Assistant at Pavagada for periodical visits to be paid by him on fair days at Hosakota and for dispensing medicine, &c., to the people at that place on those days.

*Resolution.*—The proposed allowance is not considered necessary. Hosakota is a healthy place. Any cases seeking medical advice may be brought to Pavagada.

IX. Read docket No. 4412—78-94, dated 21st September 1900, from Secretary to Government, regarding the proposed increase of pay from Rs. 5 to 6 of the female cooly in the Female Dispensary at Tumkur.

*Resolution.*—The Board are of opinion that on principle there is no necessity for the increase of pay applied for.

X. Read Government Order No. 7769—L. F. 67-99, dated 7th December 1900, requesting the submission of a final report regarding the construction of a cart-track from Amrutur to Huliyurdurga after ascertaining the wishes of the Amrutur people regarding the payment of contribution.

*Resolution.*—The Amildar should be requested to enquire of the villagers of Amrutur whether they are prepared to contribute Rs. 394 towards the cost of the cart-track in question.

XI. Read the revised District Fund budget estimates for 1900-1901, providing for the following additional items of expenditure and explanatory memo.

(*a*) Rs. 2,884 under "A. Public works to be executed by the Public Works Department."

(*b*) Rs. 1,466 under "B. Public Works by Revenue Officers."

(*c*) Rs. 1,742 under "C. Civil Charges"

*Resolved* that the revised budget estimates be submitted to Government for sanction.

XII. Read the Administration Report of the District Funds for the year 1899-1900.

*Resolved* that the Report be submitted to Government.

XIII. Resolved that the next meeting be held at Tumkur on the 4th February 1901.

M. NARAIN RAO,
*President, Dt. Fund Board.*

## KOLAR GOLD FIELDS SANITARY BOARD.
### BYE-LAW X.

The following Bye-law to provide for the regulating and licensing of places and shops or stalls intended for the sale of meat, fish, vegetables, grain and other article of human consumption is passed under Section VI, cl: 4, of the Sanitary Rules framed under Section 24 of the Mysore Mines Regulation, Act III of 1897.

1. Any person making use of any place or building as a retail shop or stall for the sale, or store, or exposure for sale, of meat, poultry, fish, fruit, vegetables, grain, or other articles of human consumption, shall apply to the President for a license, which license shall be in force for the current official year in which it is granted, and must thereafter be renewed annually.

2. The President may at his discretion grant or refuse such license, provided that every order refusing such license shall be in writing, and shall state the ground or grounds for refusal.

Provided also that before grant of such license, where the shop, stall or place applied for is situated within the boundaries of any Mining Company, the President shall refer the application to the Chief Medical Officer, Mining Board, for his opinion, and that if he condemns such shop, stall or premises as unsuitable, the license shall be refused, and that if any shop, stall or premises licensed under this Bye-law becomes in the opinion of the Chief Medical Officer, or President, unsuited for the purpose for which it was licensed, the President may, at his discretion, cancel the license, or suspend it until the place has, in his opinion, been made suitable for the said purpose.

3. Applications for licenses for existing shops, stalls or premises must be made within one month from the date of the promulgation of this Bye-law.

4. Applications for renewal of licenses must be made to the President before the end of the first month of each official year, *i. e.*, before the end of July in each year.
